BOYD BENNER
174 Butternut Lane
Langhorne, PA 19047

vs.

STATE FARM FIRE AND CASUALTY
COMPANY
One State Farm Plaza
Bloomington, IL 61701

COURT OF COMMON PLEAS
PHILADELPHIA COUNTY

DOCKET NO.

CIVIL ACTION COMPLAINT (1C - Contract)

1. Plaintiff, Boyd Benner is an adult individual residing at the address set forth above.
2. Defendant, State Farm Fire And casualty company, is a corporation duly organized and existing which is authorized to conduct business as an insurance company within the Commonwealth of Pennsylvania and maintains a place of business for that purpose at the address set forth above and regularly issues policies of insurance within the City and County of Philadelphia.
3. Defendant, in its regular course of business, issued to Plaintiff a policy of insurance ("the Policy") covering Plaintiff's property located at 174 Butternut Lane, Langhorne, PA 19047 ("the Property"). A copy of the Policy is not in Plaintiff's possession, but a copy of same is believed to be in defendant's care, custody and control.
4. On or about 11/1/2023, while the Policy was in full force and effect, Plaintiff suffered direct physical loss and damage to the insured Property believed to be the result of a

peril insured against under the Policy, resulting in damage to the insured premises and those areas and to the extent set forth in the preliminary estimate of loss, a true and correct copy of which is attached hereto, and made part hereof and marked Exhibit "A."

5. Notice of this covered loss was given to Defendant in a prompt and timely manner, and Plaintiff, at all relevant times, fully complied with all of the terms and conditions required by the Policy.

6. Defendant, despite demand for benefits under the Policy, has refused, without legal justification or cause, and continues to refuse, to pay to Plaintiff monies owed for the damages suffered as a result of the Loss.

7. Solely as a result of Defendant's failure and refusal to pay benefits to Plaintiff as required under the Policy, Plaintiff has suffered loss and damage in an amount in excess of \$75,000.00.

COUNT I
In Assumpsit - Breach of Contract

8. Plaintiff incorporates by reference the facts and allegations contained in the foregoing paragraphs as though fully set forth hereinafter at length.

9. Defendant is obligated by the terms of the contract to indemnify Plaintiff's loss.

10. Despite submission of reasonable proof and demand for full and complete payment with respect to Plaintiff's loss, Defendant has not paid to Plaintiff all of the policy benefits to which Plaintiff is entitled under the Policy and has refused to provide funds sufficient to bring Plaintiff's property to pre-loss condition.

11. Defendant's denial of coverage was made without a reasonable basis in fact.

12. Defendant's refusal to indemnify Plaintiff's loss constitutes a breach of the insurance contract.

WHEREFORE, Plaintiff demands judgment against Defendant in an amount in excess of \$75,000.00 together with interest and court costs.

COUNT II
In Trespass - 42 Pa.C.S.A. §8371

13. Plaintiff incorporates by reference the facts and allegations contained in the foregoing paragraphs as though fully set forth hereinafter at length.

14. Defendant has engaged in bad faith conduct toward Plaintiff with respect to its adjustment of Plaintiff's covered Loss, in violation of 42 Pa.C.S.A. §8371 et seq.

15. In furtherance of its bad faith and wrongful denial and refusal to pay benefits for Plaintiff's covered loss, Defendant, acting by and through its duly authorized agents, servants, workmen or employees has engaged in the following conduct:

a. by sending correspondence falsely representing that Plaintiff's loss caused by a peril insured against under the Policy was not entitled to benefits due and owing under the Policy;

b. in failing to complete a prompt and thorough investigation of Plaintiff's claim before representing that such claim is not covered under the Policy;

c. in failing to pay Plaintiff's covered loss in a prompt and timely manner;

d. in failing to objectively and fairly evaluate Plaintiff's claim;

e. in conducting an unfair and unreasonable investigation of Plaintiff's claim;

f. in asserting Policy defenses without a reasonable basis in fact;

g. in flatly misrepresenting pertinent facts or policy provisions relating to coverages at issue and placing unduly restrictive interpretations on the Policy and/or claim forms;

h. in failing to keep Plaintiff or their representatives fairly and adequately advised as to the status of the claim;

i. in unreasonably valuing the loss and failing to fairly negotiate the amount of the loss with Plaintiff or their representatives;

j. in failing to promptly provide a reasonable factual explanation of the basis for the denial of Plaintiff's claim;

k. in unreasonably withholding policy benefits;

l. in acting unreasonably and unfairly in response to Plaintiff's claim;

m. in unnecessarily and unreasonably compelling Plaintiff to institute this lawsuit to obtain policy benefits for a covered loss, that Defendant should have paid promptly and without the necessity of litigation.

16. For the reasons set forth above, Defendant has acted in bad faith in violation of 42 Pa.C.S.A. §8371, for which Defendant is liable for statutory damages including interest from the date the claim was made in an amount equal to the prime rate of interest plus three percent, court costs, attorneys' fees, punitive damages, and such other compensatory and/or consequential damages as are permitted by law.

WHEREFORE, Plaintiff demands judgment against Defendant in an amount in excess of \$75,000.00 together with interest, court costs, counsel fees and damages for delay.

This is a repair estimate of damages only, based on a physical inspection at the loss location. As field conditions change the estimator may at times find it necessary to increase or alter the cost and scope of repairs due to conditions and damages not previously known. This estimate is subject to revisions. The insurance policy may contain provisions that will reduce any payments that might be made. This estimate is this writer's opinion within a reasonable degree of professional certainty.

This estimator does not have the authority to authorize repairs or guarantee payment. This estimator assumes no responsibility for the quality of repairs that might be made.
